

European Aviation **CONSULTANTS**

AOC ACCOUNTABLE MANAGER SEMINAR

BACKGROUND

EU requirements for AOCs stipulate that the operator “shall establish, implement and maintain [a] system that includes maintaining personnel training and competent to perform their tasks”. The obligations placed on the Accountable Manager (AM) bear significant weight and thus the AM should be fully familiar with the requirements of his/her role.

COURSE CONTENT

- Regulatory structure and overview including basis of Basic Regulation (EU) 2018/1139 and related Implementing Rules including those for Aircrew, Maintenance, Occurrence Reporting etc.
- Licensing requirements of Regulation (EC) No 1008/2008 and related regulations
- Overview of Regulation (EU) 965/2012
- EASA/EU rulemaking process and forthcoming regulatory changes
- Outline of Management System requirements (ORO.GEN – including but not limited to ORO.GEN.200)
- Management System procedures
- AOC training programmes
- AOC communications and leadership
- The Compliance Monitoring System and the Safety Management System
- The SMS and Compliance responsibilities of the AM
- Managing the Management System for Compliance
- Corporate Culture
- AOC additional standards including IOSA

TARGET AUDIENCE

This course is intended for:

- Accountable Managers
- Prospective Accountable Managers
- Authority Inspectors

PREREQUISITES

A basic understanding of the aviation regulatory framework is advantageous, but not essential.

OBJECTIVES OF THE COURSES

This one-day seminar is intended to give current and future AMs an overview of the requirements placed on them within their roles. Upon completion of the seminar, delegates should have a clear understanding of the obligations placed upon the Accountable Manager within an AOC.

DURATION

1-day commencing 09:00 and ending 17:00.
