

European Aviation **CONSULTANTS**

CS FSTD (A) or (H) TRAINING COURSE

BACKGROUND

CS FSTD is the backbone of FSTD technical requirements for devices gaining an EU qualification level. It encompasses the technical standards which must be achieved and maintained by the device.

COURSE CONTENT

Note – certain materials will be made available electronically during this course. Delegates are required to bring their own wifi capable laptops / tablet devices.

The following items are addressed:

- An in-depth look at the requirements of CS FSTD (A) or (H):
- The FSTD levels identified in ICAO Doc 9625
- FAA's Part 60
- Regulation (EC) 2018/1139
- Regulation 1178/2011
- CS FSTD Book 1
- Related regulations
- Related AMC and Guidance Materials incl. CS FSTD Book 2

This course mixes theory with conducting practical exercises.

TARGET AUDIENCE

This course is aimed at:

- Authority Inspectors
- FSTD Operator's Management (heads of functional areas)
- Compliance Managers from FSTD Operators
- FSTD Evaluators (Objective, Function and Subjective)
- Compliance Auditors

PREREQUISITES

This course assumes a basic understanding of FSTDs including FSTD related nomenclature. Prior knowledge of CS FSTD is not required. This course is delivered in English and a good grasp of English is essential.

OBJECTIVES OF THE COURSES

Upon completion of this course, delegates should have a broad understanding of CS FSTD (A) or (H) as applicable, and be able to apply the requirements as related to their own devices.

Note – these courses will run with a specific focus on either CS FSTD (A)/(H). Please contact us for details of forthcoming courses

DURATION

Course running for 3 days. Course commences at 09:00 and ends 17:00 with lunch break of 1 hour and coffee breaks in the morning and afternoon. Timings may be adjusted as agreed on the day, between instructor and participants.
